Skal Roster

The Skal Roster is coming back this year and there is an opportunity to advertise your business. Speak to Fred Azouz or any of the board members

Raffles

We will have 2 new raffles coming this year. Look for more information coming on both:

- Starting in March will be an 'Elimination Raffle' which will be a \$20 ticket and each meeting some will be eliminated until the last man standing wins the pot!
- There will be a National Raffle with incredible travel prizes. It will run from February until the North American Conference in May. Members will have the opportunity to purchase tickets and if interested, can offer prizes.

50/50 draw winner was Kimberly Hartley
